

ADM – FIH

2nd Assignment for BTech First Year

Submission Deadline: 21st November

(No Late Submission will be entertained)

(Select one of these options)

(10 marks)

1. Cinema & Colonialism: Decoding Suppression and Identity

Assignment:

Watch **two films** (from different time periods or perspectives) that reflect the impact of **colonialism or Western influence on Indian identity**.

Write a **comparative reflection (500 words)** or create a **2–3 min visual essay** (video/reel/slideshow).

Objective: Identify how colonial suppression changed social structures, gender roles, or the idea of self in India.

Suggested Films:

- *Gandhi* (1982) vs *Lagaan* (2001)
- *Earth* (1947) (Deepa Mehta) vs *The Legend of Bhagat Singh* (2002)
- *Mangal Pandey: The Rising* (2005) vs *RRR* (2022)

Creative Extension:

End the video with a modern example of post-colonial identity assertion (like Indian education reforms, decolonizing curriculum, fashion, or language revival).

2. Global Culture Clash — Fashion, Food, and Faith

Assignment:

Document how **Western consumerism** has influenced **Indian traditions** (clothing, weddings, festivals, cuisine).

Task:

Make a photo essay or vlog comparing **one traditional element** (like saree, temple food, or festival rituals) then and now.

Films for Inspiration:

- *English Vinglish* (2012)
- *The Namesake* (2006)
- *Swades* (2004)
- *Monsoon Wedding* (2001)

3. Epics in Modern Media**Assignment:**

Choose one theme from the Mahabharata or Ramayana (like revenge, sacrifice, illusion, or fate).

Find a **modern film, ad, or series** that represents the same theme.

Example:

- *Mahabharata's Kurukshetra* → *Baahubali* (duty vs emotion)
- *Ramayana exile* → *Highway* (search for freedom)

Output: 1-page comparative write-up, Multiple slide PPT or video commentary.

4. Family Systems: From Joint to Nuclear — What Did We Lose and Gain?**Assignment Brief:**

Interview **two generations** in your family (or friends' families):

- One elder (parent/grandparent) who experienced a **joint family**
- One youth who lives in a **nuclear family**

Compare their views on:

- Support systems and emotional bonds
- Privacy and independence
- Role of technology in maintaining relationships
- Value shifts (respect, care for elders, decision-making)

Deliverable Options:

-  Audio interview compilation (3–4 mins)
-  Illustrated infographic or video reel: *“From Joint to Nuclear: Changing Indian Families”*
-  Short essay (400 words): *What have we gained and lost in this transition?*

Extension Idea:

Link this to **Indian philosophy** — the concept of *Vasudhaiva Kutumbakam* (“the world is one family”) and how we can revive it in digital life or student hostels.
